

# Small Ship Expedition Cruising

There's no better way to discover and to explore Australia's most fascinating and remote shores than on a Small Ship Expedition Cruise with APT.

## Cape York & the Great Barrier Reef Expedition by Small Ship

Picture balmy island days stretching out endlessly before you. At South Direction Island, Zodiacs will take you ashore for sunset drinks. Savour a whole day to explore Lizard Island. Stand at the most northerly point on the mainland at Cape York. Snorkel and swim at Davie Cay before heading to historic Cooktown, your last stop of the voyage.

### Signature Experiences

- ★ Enjoy a full day exploring the private paradise of Lizard Island. Guided walks, snorkelling, scuba diving and beach relaxation are all on offer.
